The Denver Brass⁵ presents: A Taste of Sparkling Brass & Spring Brews

<<For immediate release>> DENVER- Rediscover the thrill of live music by joining The Denver Brass⁵ at Wynkoop Brewing Company on April 11 at 6:30pm for *A Taste of Sparkling Brass & Spring Brews*. While beer celebrations are often associated with fall and Oktoberfest, this year's beer will flow as the tulips bloom.

This is one of many Denver Brass fans' favorite offerings because they don't have to wait until after the concert to eat, drink and be merry! The social format is appealing – as each style of beer is poured, music is played, beverages are consumed, explanations are given by expert brewers and the fans can come up with descriptive words to describe what the brew does to their taste buds. Following the tasting and music, a nice Americana buffet and more of your favorite brew will top off the evening.

The Denver Brass⁵, recital quintet of The Denver Brass, is an ensemble internationally recognized for its elegant approach to brass chamber music performance. The musicians of The Denver Brass⁵ all reside along the front-range of the magnificent Rocky Mountains. Their passions run the gamut from great brass music, to skiing, hiking, enjoying Colorado's other unique offerings and solving the world's problems over a great glass of beer or fine wine.
