DECEMBER 19
6:00PM MST

Embrace the wonder and magic of the season with Denver Brass!

A MESSAGE FROM KATHY & BECKY

The last few months have been an unfathomable challenge for us all. Here at Denver Brass, we've relied on two constants during this difficult time: YOU - our family, our fans, our friends, and our MUSIC - music that gives voice to feelings we cannot put into words. It's important that we continue to share the healing power of music, as we all need a way to express, connect, gather, heal, and grow. Until we are able to see you in person, know that we are still with you. While this season has its challenges, we will overcome all obstacles in concert with you. We'll bring daring and dynamic brass music to the entire community through captivating performances and world-class recordings. We are proud to make a difference in our community by sharing the depth and breadth of emotion that brass music brings to life – from reflection and sorrow to inspiration and joy. This music is our passion, and bringing it to you, and our entire community is our purpose.

THE DENVER BRASS

The Denver Brass, presenting brass music of national and international renown, was formed in 1981 by Kathleen and Charles Brantigan. The organization was built on a vision of a one-of-a-kind professional chamber ensemble that would be at the forefront of brass performance, entertainment, original commissions, education, and community service. Unique in the world, Denver Brass has set itself apart through its sound, original repertoire, and state-of-the-art multi-cultural show productions.

The elements of The Brass' trademark sound include more than 13 distinct instruments—including an array of rarely-used trumpets in various pitches—and the exceptional technical and expressive expertise of some of the nation's finest brass musicians. Together they produce a rainbow of timbre: not a band, not an orchestra, but an entirely new phenomenon. Exploration of fusions of music from diverse cultures and electronic and digital technology is central to groundbreaking artistic development. Today's Denver Brass is heard live by more than 40,000 persons at more than 150 season series, community, and educational events annually, as well as on popular social media platforms and 30+ acclaimed recordings.

MAKE A DIFFERENCE AND SUPPORT DENVER BRASS

As we continue the tradition of creating exquisite brass music of rich emotion and lasting impact, we ask you to make a donation today.

Your support of the Denver Brass by donating any amount as a one-time gift or a monthly gift is important now more than ever. Donate in support all Denver Brass programs, virtual concerts, new music, and/or in honor of a loved one or a Denver Brass musician.

Ticket fees comprised 50% of our annual revenues and covered only a fraction of the costs generated by a typical Denver Brass concert, much less the expenses of educational and outreach programs. Every penny counts – no amount is too small.
